Jack	Ironman Florida	Kevin W.	Olympic Triathlon
Kaitlyn	1 st Triathlon	Lance	Half Ironman
Phil	Honorary Member		

The names and races listed are not in any order. No one individual is more important than any other. No event is more special than any other (except for Mary's). A first triathlon can be just as challenging and just as rewarding to one individual as it is to another striving to do their first Ironman. We are all different and for that reason; we are all special.
